CHORUS

From His hand- the stars and the sun
From His hand- and all of creation
From His hand- yes, faith hope and love
All come from our Father above

Look around and tell me what you see
What a wonderful earth-
Did it just happen to be?
Or did a loving Father make it all for us?

Night follows day
The moon knows its course
The womb brings forth life
In a miracle of birth
How could anybody fail to see the plan
That God has for woman and man!

The maker of us all sent his Son to us
Instead of giving praise
We nailed Him to a cross
Jesus died and rose
That we might join with Him
One family for all eternity, so we sing...
