ap - ple tree, uh so I says to my - self uh well it seems to me,
 what I say! uh so Ya got to take some time to read the Bi - ble each day. Now there's a
 good - ness and peace, these and lots of oth - er fruit will all in - crease. I said,

13

F

branch on the ground does - n't do much good. The on - ly thing its use - ful for is
 one more thing so would you lis - ten please? Ya got to spend some down time pray - in'
 faith - ful - ness and gen - tle - ness and self - con - trol, all of these will blos - som in your
